

Hello,

My name is Deshaun Lovejoy of Roswell, Georgia. I was reading over your website and seen on the main page if there was to be recommendations, to drop you a line. I'm not one to brag on or recommend on many people, but Ronnie and Andrew of R & R Trikes in Jasper, Georgia should be highly recognized. Their business and quality is unmatched. I've been riding motorcycles for over 35 years and trikes for almost 10 years. They've built 2 for myself and my wife now, and I will return when I wear this one out. I'm lucky to have such a great trike dealer so close to me. If you or know of somebody who is interested, they are defiantly worth the time and drive, from where ever you're coming from!

With best regards,

Deshaun Lovejoy
